

## PROJECT-TRES

- 
- Technical drawing of the 'Linea' shower system. The side view shows a wall-mounted shower head (79) and a handheld shower wand (118) connected by a flexible hose. The handheld wand has a control knob and a spray head. The top view shows the shower head's dimensions: 300 mm width, 300 mm height, and a 400 mm arm extending from the wall. The shower head is mounted on a wall with a G1/2 connection. The distance from the wall to the shower head is 93 mm. The distance from the wall to the handheld wand is 1050 mm. The distance from the shower head to the handheld wand is 2100 mm.
